

Saffron Slam

Parental Consent Form

The Saffron Slam is committed to safeguarding young people and vulnerable adults at our events where possible. However, Saffron Slam events are not specifically marketed at younger people and are attended by multiple adult members of the public. In addition, our events are open to any member of the public who wants to visit and watch games being played (and these individuals do not need to purchase tickets in advance of the event). As such, we have assumed that, by purchasing a ticket to one of our events, the individual either gives (in the case of the parent/legal guardian purchasing the ticket) or has been given (in the case of the young person/vulnerable adult purchasing the ticket directly) consent to attend the Saffron Slam.

We are not able to provide direct supervision of young people at our events and, by attending our events, the legal parent/guardian of the young person maintains continued responsibility for the individual. We must therefore politely recommend that the parent/guardian of the individual remains with them for the duration of the event.
